From a letter of the late

John Bishop Estlin Esq

(an eminent Physician &
Surgeon of Bristol, England)

to Rev. Samuel May Jr —

accompanying ~~Conducting~~ Some parcels of
the hair of the late Rajah

Ram Mohun Roy.

"That this Lock of hair actually was that
of the great Hindoo Reformer, you
need feel no doubt. I attended him
through his lamented & fatal illness, &
cut off some of his hairs, which has
never been out of my possession
excepting while in the hands of the lady
who kindly tied it up into little parcels."
